Psalm 107:14 He brought me out of darkness and the shadow of death, And broke my chains in pieces.

I was brought up in a loving home and wanted for nothing. My mother was a Christian and loved the Lord Jesus and so from a very young age sent us to church and Sunday school to learn about the Lord Jesus that she loved.

During my teenage years I begun to rebel against God and against everything that I believed and had learnt in church.

Taking my eyes away from God was the beginning of a downward way of life for me and slowly my life began to spiral out of control.

I engaged into bad company in school and due to peer pressure and personal insecurities that I had, I began taking drugs.
Little did I know that this was the start of a 10 year drug addiction for me.

I started sniffing solvents, gas, petrol, and fire extinguishers. I counted myself lucky to be alive, yet I knew that God's hand was upon me.

I was introduced to cannabis resin. I began to drink excessive amounts of alcohol as well, in order to give me a false and temporary confidence boost.
Later I started to take speed, ecstasy, acid, and magic mushrooms.
Anything I could get hold of.

I always had a smile on my face, but it wasn't real. It was all a mask. I wasn't really happy, just deceived and deluded. I drifted through life wandering around looking for my next high.

My life was controlled by my addiction and so I delved into a life of crime in order to fund my habit. I became a severe thief and a liar.

Everything about my life was false. I was sad, depressed, insecure, lacked confidence and became very withdrawn. My rebellious way of living, transformed my life, my personality, and my character for the worst.
I felt very little hope that I could ever change.

At the age of 22 I had a nervous breakdown and was admitted to a psychiatric hospital. I started to have dilutions and began to suffer severe paranoia. It was like hell on earth for me.

Life couldn't get any worse.

Looking back I knew that God was bringing me to the end of myself.

In hospital I cried out to God for help and forgiveness.
I knew that God was the only one who could change my life.

In march 1996 I finally came to my senses and made a decision to go to Teen Challenge Christian rehabilitation centre in Llanelli.

I realised that God was real and that He loved me so much, He gave His one and only Son, Jesus to die on the cross for my sins so that I may be Forgiven.

Jesus said, unless a person is born anew, you cannot see Heaven.

I cried out to the Lord and the Lord listened to me and forgave my sin and saved me from all my troubles. The Lord Jesus set me free from all my addictions and made me this new person.
I knew that I had met with God and was born anew.
I knew that my sins were forgiven and that if I was to die at that moment in time, I was certain of a place in heaven.

Since that moment, my life has turned around. I am now happily married with two precious children. Truly God has been gracious to me.

The Lord Jesus has given me a life worth living. He has replaced my life of misery with one of joy and peace.
I can say with assurance, that I am no longer a slave to sin. Now I am free!

I can tell you with certainty, what God has done for me, He can do for you!

Does God love you?

God demonstrated His own love towards us, that while we were still sinners, Christ died for us. The Bible says that God even knows the number of hairs on your head. It says that God knows your thoughts even when you are far away and He knows everything that you do. He knew you before you were born. Why would God take so much interest in you if He didn't love you? The bible says that the Lord disciplines those that He loves, and He loves you!

Won't you accept God's invitation to have a personal relationship with Him today? Will you allow Him to take care of you, the way that He wants to, by making Him Lord and Saviour of your life?

John 10:10 The devil comes to steal and kill and destroy; I have come that you may have life, and have it more abundantly.

A Warm welcome awaits you
